

2023 Forest Industry Bargaining USW LOCAL 1-417 UPDATE

Update #16 – June 5, 2024

USW-IFLRA Bargaining Session Doesn't Produce Results; Parties Agree to Meet Next Week

While the expectation of bargaining on June 3rd was that the employer's monetary offer would meet the members' needs, unfortunately, it didn't.

However, both parties agreed to reconvene in Kelowna on June 11th & 12th, 2024, in a final attempt to secure a fair collective agreement for our members in the Southern Interior.

Fighting for a Fair Agreement!
