SUPPLEMENT NO. 2

ADJUSTMENTS AND INTERPRETATIONS

In connection with the interpretation of certain clauses of the 1970-1972 Contract between the United Steelworkers and certain Interior Operators, the following interpretations of the Contract have been agreed upon:

2. **Re: Article X - Seniority - Section 9:**

It is understood that the interpretation of this clause made by the Honourable Gordon McGregor Sloan under the Coast Agreement will apply as set out below:

"When an Employee has left, or leaves, the bargaining unit because of promotion to a supervisory position, and who later is reinstated as a member of such bargaining unit because of demotion or reduction in forces, he returns thereto with the seniority he had when an Employee within the bargaining unit. In other words, his seniority is "frozen" at the time he leaves the bargaining unit and ceases to run until his return thereto".

It is agreed, however, that persons transferred out of the bargaining unit for temporary supervisory duty with the Company for a period of not more than four (4) months in each calendar year shall continue to retain their seniority. Employees temporarily transferred out of the bargaining unit will be reinstated in the job they held when they left the bargaining unit without loss of seniority.

Should any special circumstances arise which will require an extension of this provision, same shall be discussed between the Local Union and Management and, if agreement is reached, the period may be extended.

It is agreed that the above understandings shall be of the same force and effect as if they had been written into the actual contract and this Section of Adjustments and Interpretations shall form Supplement No. 2 and be part of the Contract.
